Voices of Faith – Health Care for All

Did you know that churches of many different denominations started most of the hospitals, medical schools, and nursing schools in this country, and around the world?

As healthcare has become more complex, it has become more expensive, and access is sometimes difficult. Not all doctors take all insurance. Not everybody has insurance. Not everyone can afford to pay their portions of what they do have. As people of faith, we are called to speak up for healing for all.

You are invited to join us on Tuesday, November 7th at 5:30 pm as Michael Huntington, MD, a retired oncologist from Corvallis, Samuel Metz, MD, a retired anesthesiologist from Portland, and Lee Mercer, former executive director of Healthcare for All Oregon will be the special guest speakers on Health Care for All at Smyrna United Church Christ at 31119 S. Highway 170, Canby, OR 97013.

We will have a salad potluck at 5:30 pm, and at 6:00 pm, we will show the 45-minute movie, “Fix It: Healthcare at the Tipping Point.” At 6:45, our speakers will convene a discussion of issues surrounding access to affordable, quality healthcare for all.
